Re: WLOB-FM, Rumford, Maine
Facility Identification Number : 9180
Atlantic Coast Radio, LLC
Special Temporary Authorization

Dear Counsel:

This is in reference to the request filed April 25, 2006, on behalf of Atlantic Coast Radio, LLC (ACR). ACR requests extension of the special temporary authority (STA) granted on January 6, 2006, to operate Station WLOB-FM with reduced power. In support of the request, ACR states that, completion of modified WLOB-FM facilities authorized by Construction Permit BMPH-20041217ASX, has been delayed by winter weather conditions.

Our review indicates that, subsequent to filing the subject extension request, ACR completed construction of its modified facilities and filed License Application BLH-20060525AHN, which was granted on June 15, 2006. Thus, STA is no longer necessary.

Accordingly, the request for STA IS HEREBY DISMISSED.

Sincerely,

Charles N. Miller, Engineer
